

AIGUILLE'S SPRING BREAK CLIMBING CAMP

2018 INFORMATION SHEET

CAMP DETAILS

Aiguille's Spring Break Climbing Camp begins Monday, March 19th. Our camp is designed for children ages 8-14, with team-building activities, survival games, and of course rock climbing. Every camp day begins with stretches and warm-ups to get the body going. From there each day offers a new game or challenge that walk-in customers don't get to experience. At Aiguille we keep your child moving and motivated while building confidence and strength.

In a fun and supportive atmosphere, all climbers will learn the fundamentals of climbing. Instruction will be given on warm-up routines, climbing techniques, belay procedures and communication.

Please remember to pack a lunch and additional snacks for your child throughout the day. We eat lunch around 12:30pm and will have a snack period in the morning and afternoon. On Friday we will have a pizza lunch provided by Aiguille to treat the campers for all their hard work.

WHAT TO BRING:

- Water Bottle
- Lunch & (2) snacks
- Socks
